"All Kids Count"

REQUEST FOR SUPPORT

Dear Supporter of Community Youth Mentoring,

Our Bowl for Kids' Mentoring event is the largest fundraising campaign for Community Youth Mentoring. In 2018, over \$18,000 was raised by over 150 dedicated sponsors and participants. The funds raised fill an immediate need, not only financially, but by transforming the life of a child and making "All Kids Count."

We proudly have over 350 children matched with mentors; the largest portion being in our School Buddies Program. One-to-One Mentoring and the School Buddies program focus on intervention, prevention and building resilience in our community's youth. The results not only benefit the youth and their families, but impact our entire community.

During the first year, match support for a single match costs approximately \$1,000. While maintaining funding is an ongoing challenge, the need for mentoring and match support is always increasing. It is our hope that you will thoughtfully contribute much needed support to the 2019 Bowl for Kids' Mentoring event. Your support helps to make "All Kids Count" in our community.

Sponsorship details have been included in this packet.

Thank you for your kindness and consideration,

Annette Ferrell
